There are very few books out yet on epoxy clay and I was thrilled to find one. This is a great book, it offers clear instructions and lots of projects. I really liked that many different ways of using the clay were shown. I liked it so much I bought another copy for a friend who is interested in this new medium. Much better than many of the self-help books published for consumers. Foxy epoxy : 44 great epoxy clay projects with serious ... Get this from a library! Foxy Epoxy: 44 Great Epoxy Clay Projects with Serious Bling Foxy Epoxy explores the unlimited potential of this fun material. It's so easy to work with: just mix, model, and embellish. There's no need for baking or firing. Popular author, blogger, and designer Kristal Wick covers all the basics, from the minimal equipment needed to the simple techniques. Forty fabulous projectsâ€”20 by Wick and 20 by other leading designers such as Candie Cooper, Margot Potter, Jean Campbell, and Andrew Thorntonâ€”will inspire crafters of all levels. BOOK REVIEW: Foxy Epoxy by Kristal Wick - Craft Test Dummies Epoxy clay is used creatively through out the book; In depth coverage of jewelry basics, tools, and materials; Nice weight to pages; Great quality photographs; Patterns provided when needed; Is a great resource for inspiration; CONS: Not for beginner jewelry makers, but some projects are easier than other; The projects seem to have no organization. I would have preferred them being broken down to bracelets, necklaces, rings, earringsâ€”etc. Foxy Epoxy â€” FUNKY TABLES THAT REFLECT YOUR STYLE Looking to add that finishing touch to your furniture, but canâ€™t quite find that special table to match your modus operandi?
